

SHRC – November 12, 2011

Doug, Tom, Russ, Bill, Warren, Ron, Roger, Sam, Jeff

1. Club officer positions for 2012/2013 seasons: The vote was held and the current officers were voted in another two years.
2. Russ is completing the new 2012 membership forms and will have them posted on the web site this week.
3. Please do not drive on the field. This recently occurred, and raised some concerns with our colleagues in the guard
4. There are some discussions with the guard about them requesting we not to fly on the weekends they have their monthly meeting. The basis for this is apparently two fold, first, these are now combined guard meetings which create a significant parking problem, and second, there was a general concern about safety.
5. Field maintenance and mowers:
 - a. We agreed to retire the green mower. Russ will look to see if this can be sold.
 - b. The guard has requested we no longer store the mowers in their hallway, so we need to find local storage or at least a place to store them for the winter until a permanent location is identified.
6. Russ is working to complete the 2012 contract for approval with the guard. The only contractual change we are requesting is to extend the flying hours till sunset. We are ONLY discussing extending our flying hour for electrics.

Respectfully submitted,

Jeffrey Gross
Secretary/Treasurer
